

The Dataline Series

CCTV Protection

Features

- Easy installation
- Low insertion loss
- Failsafe protection

Order Codes

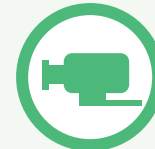

12-00199 12-00299

Specifications

Max. operating voltage	1V p-p	1V p-p
Max. discharge current	10kA	10kA
Insertion loss at 10MHz	0.08dB	0.08dB
Connectors	BNC M/F	BNC F/F

Applications

A range of protection devices for the protection of CCTV, security and video systems.

Combined Protection

Applications

A combined video and power surge arrester based on the surge platform concept to fully protect a camera system even where no connection to earth is available.

Order Codes

12-00027 12-00499

Specifications

Max. operating voltage video	1V p-p	1VP-P
Max. operating voltage DC feed	15VDC	36VDC
Max. discharge current video	10kA	10KA
Max. discharge current DC	2500A	2500A
Max. current DC feed	1A	1A
Insertion loss at 10MHz	0.08dB	0.08dB
Connectors BNC	M/F	M/F
